“People Helping People”

Introduction

Each year the Virginia Department of Social Services (VDSS) prepares an Annual Statistical Report to share basic information about the many programs VDSS administers. This report is a reference source for our partners in the social services system, legislative and executive branch agencies, and the general public.

For most programs, the report shows statewide caseload and expenditures for the last 11 state fiscal years, from 1999 through 2009. The report is organized by major program area, including benefit programs, family services, child care, licensing, community and volunteer services, and child support enforcement.

Online, this report is available at:

http://www.dss.virginia.gov/geninfo/reports/agency_wide/annual_statistical.cgi

We hope this information is useful to you and provides an overview of how VDSS is making a difference throughout the Commonwealth.

Erik Beecroft
VDSS Office of Research and Planning

TABLE OF CONTENTS

Benefit Programs

Supplemental Nutrition Assistance Program (SNAP) Caseload and Payments.....	1
Supplemental Nutrition Assistance Program (SNAP) Payment Error Rate.....	2
TANF Caseload and Payments (excluding TANF-UP).....	3
TANF Unemployed Parents.....	4
TANF Cases without a Parent Present on the Grant.....	5
TANF Diversionary Assistance Payments.....	6
Work Activity of All Enrolled in VIEW.....	7
VIEW Employment and Hourly Wage by Industry.....	8
Medicaid Enrollment.....	9
Medicaid Payments.....	10
Children’s Health Insurance Program: Enrollment and Expenditures.....	11
State and Local Hospitalization Expenditures.....	12
General Relief: Caseload and Payments.....	13
Energy Assistance: Fuel and Cooling.....	14
Energy Assistance: Crisis.....	15

Disaster Assistance

Federally-Declared Disasters.....	16

2009	498,380	115,763	208,735	68,767	277,502	\$670.9	\$139.3	\$810.3	\$268	\$169
Avg. Annual Change ²	7.0%	1.0%	7.6%	1.9%	5.8%	13.2%	6.5%	11.7%	5.0%	4.2%

¹ SFYs 1998-1999 may include case/recipient more than one time a month if a supplemental payment was made.

² Throughout this report, average annual change is calculated as the average of the annual percentage changes across all years. For example, if the percentage change from 1999 to 2000 is 5%, and the percentage change from 2000 to 2001 is 1%, then the average annual change from 1999 to 2001 is 3% (the average of 5% and 1%).

Avg. Annual Change	59.8%	-3.6%	-10.5%	1.0%	1.4%	-0.1%

¹ The dramatic increase in 2003 Family Assessments and decrease in Unfounded Investigations result from statewide implementation of the CPS Differential Response System. The Family Assessments track was implemented statewide in May 2002. Family Assessments data for SFYs 1998-2001 are from: Albemarle, Loudoun, Montgomery, York-Poquoson, and Portsmouth, only.

² Number of reported child victims includes Unfounded complaints.

³ For SFY 2009, one case is pending determination, and two cases are under appeal (as of 12-2009).

Click on [CPS Reports and Studies](#) for locality level data from 2000 through 2008.

Adoption Assistance

Average Monthly Number of Cases and Total Expenditures

State Fiscal Year	State Adoption Assistance		Federal Adoption Assistance		Combined Adoption Assistance		Average Monthly Payment Per Case
	Average Monthly Cases ²	Annual Expenditures (\$ millions)	Average Monthly Cases ²	Annual Expenditures (\$ millions)	Average Monthly Cases ²	Annual Expenditures (\$ millions)	
2003	1,274	\$15.7	2,899	\$19.8	4,173	\$35.5	\$708
2004	1,392	\$19.4	3,197	\$20.8	4,589	\$40.1	\$729
2005	1,499	\$26.2	3,600	\$21.5	5,099	\$47.7	\$779
2006	1,598	\$30.3	3,884	\$23.3	5,482	\$53.7	\$816

2009	1,417	\$38.8	4,592	\$34.1	6,009	\$72.8	\$1,010
Avg. Annual Change	2.7%	16.7%	8.2%	9.6%	6.6%	12.8%	6.3%

¹ Expenditure figures revised from year-end LASER reports.

² In 2009, revised Average Monthly Cases, state and federal, for SFYS 2003-2009, using the Title IV-E penetration rate for all adoption cases.

Foster Care: Number of Children in Care

Number of Children in Foster Care

As of June 30	Number of Children in Foster Care	Title IV-E Penetration Rate	Median Length of Stay (months)
1999	7,572	51.0%	N/A
2000	7,585	51.0%	N/A
2001	7,585	49.1%	N/A
2002	8,086	53.8%	N/A
2003	7,916	54.9%	20.5
2004	8,055	51.6%	19.4
2005	8,125	52.3%	19.6
2006	8,122	54.2%	17.6
2007	8,173	52.2%	16.9
2008	7,764	49.5%	18.9
2009	6,424	49.2%	20.0
Avg. Annual Change	-1.4%	-0.3%	-0.1%

Notes: Counts are point-in-time data as of June 30, the end of the state fiscal year. The total number of children served in foster care during the year is greater.

Title IV-E penetration rate is the percentage of IV-E cases relative to all foster care cases.

Click on [Foster Care Reports and Studies](#) for locality level data.

Foster Care: Title IV-E and State and Local Expenditures

State Fiscal Year	Expenditures by Source (\$ Millions)				Annual Expenditures Per Child
	Title IV-E	CSA	Medicaid	Total	
2000	\$32.6	\$123.7	\$15.1	\$171.3	\$22,589
2001	\$36.3	\$112.7	\$45.1	\$194.0	\$25,575
2002	\$43.2	\$134.1	\$53.5	\$230.7	\$28,537
2003	\$57.2	\$141.0	\$59.4	\$257.7	\$32,551
2004	\$60.4	\$157.2	\$61.8	\$279.3	\$34,678
2005	\$67.1	\$162.0	\$75.0	\$304.2	\$37,437
2006	\$68.2	\$173.5	\$87.0	\$328.7	\$40,470
2007	\$69.8	\$206.1	\$98.5	\$374.4	\$45,809
2008	\$74.1	\$229.4	\$105.6	\$409.1	\$52,690
2009	\$72.9	\$229.5	\$93.4	\$395.8	\$43,667
Avg. Annual Change	9.8%	7.4%	31.0%	9.9%	8.1%

Notes: Totals may not sum due to rounding.

Children in foster care may receive both maintenance payments (room and board) and payments for specialized services. The annual expenditures per child include both children who receive maintenance payments only and children who also receive specialized services, such as residential care.

Sources: Division of Family Services, Foster Care Program staff; Division of Finance (LASER), and Office of Comprehensive Services Fiscal staff. CSA expenditures are from an internal document, "Statewide Summary of Census and Expenditures" and Medicaid expenditures from "Medicaid Payment by Month," found at "www.csa.state.va.us/html/statewide_statistics/medicaid.cfm."

Foster Care Payment Rates

Average Current Monthly Maintenance Payment Per Foster Child by State, for States in the Urban South Region¹

¹ States listed are those designated by the USDA/Center for Nutrition Policy and Promotion as being in the Urban South region, for purposes of estimating the costs of raising a child. See Table 5 in <http://www.cnpp.usda.gov/Publications/CRC/crc2008.pdf>.

Note: Rates are calculated as a weighted average of the foster home rates for different age groups, where the weights are the proportion of foster children in each age group in Virginia.

Criminal Background Investigations

Total Number of Completed Criminal Background Investigations of Caregivers of Children in Foster Care and Residential Facilities

State Fiscal Year	Number of Completed Background Investigations on:				Total

2007	2007	6,388	\$8.5	\$5.1	\$0.9	\$0.2	\$14.7
2008	2008 ⁴	5,164	\$8.2	\$5.3	\$0.8	\$0.3	\$14.5
2009	2009 ⁵	6,697	\$8.4	\$2.5	\$0.8	\$0.2	\$11.8
Avg. Annual Change		2.2%	0.9%	-4.4%	8.2%	4.5%	-1.6%

¹ Prior to SFY 2007, the sources for number of adults served were VACIS and an annual survey. More recent counts are from ASAPS.
² In 2009, revised table to display all three "home based services" (per *Code of Virginia* 63.2-1600) as a total.
³ "Other Expenditures" include adult day services, adult foster care, adult protective services, and nutrition services.
⁴ Represents duplicate services provided to AS/APS clients by homemaker, chore or companion providers from ASAPS service plans.
⁵ Counts from ASAPS case type listing.

Auxiliary Grant Caseload and Payments

Local Fiscal Year ¹	Average Monthly Cases ²	Payments (\$ millions)			Average Monthly Payment	
		State	Local Reimbursable	Total Payments		
1999	6,725	\$17.4	\$4.3	\$0.017	\$269	
2000	6,714	\$19.2	\$4.8	\$0.021	\$298	
2001	6,412	\$19.6	\$4.9	\$0.021	\$318	
2002	6,604	\$19.3	\$4.8	\$0.029	\$305	
2003	5,994	\$18.8	\$4.7	\$0.019	\$327	
2004	6,386	\$19.2	\$4.8	\$0.056	\$314	
2005	6,250	\$19.7	\$4.9	\$0.021	\$329	
2006	5,961	\$21.8	\$5.5	\$0.135	\$383	
2007	5,497	\$22.9	\$5.7	\$0.037	\$435	
2008	5,425	\$23.8	\$5.9	\$0.055	\$457	
2009	5,193	\$22.9	\$5.7	\$0.000	\$460	
Avg. Annual Change	-2.4%	2.9%	2.9%	59.1%	2.9%	5.7%

¹ The local fiscal year runs from June 1 through May 31.

² In 2009, three-quarters of the 78 local departments with declines in their caseloads in FYs 2007 and 2008 responded to a survey and identified the top 3 reasons for caseload decline: AG grant rate is insufficient for ALF providers to cover required services, therefore providers are unable to accept AG recipients; individuals' care needs exceed Assisted Living level of care; and clients' desire to remain at home and, instead, use home-based services, Medicaid waivers, or CSB case management.

Family Services Grant Programs

Expenditures (\$ millions)¹					
State Fiscal Year	Promoting Safe and Stable Families (PSSF)²	Hugs and Kisses Play	Healthy Families³	Community-Based Child Abuse and Neglect Prevention Grant⁴	Total
2000	\$6.5	\$0.1	\$2.7	\$0.3	\$9.6
2001	\$7.3	\$0.1	\$3.6	\$0.4	\$11.4
2002	\$6.4	\$0.1	\$3.6	\$0.3	\$10.5
2003	\$8.8	\$0.1	\$4.3	\$0.3	\$13.6
2004	\$7.6	\$0.1	\$4.4	\$0.3	\$12.4
2005	\$3.5	\$0.1	\$4.4	\$0.5	\$8.5
2006	\$5.7	\$0.1	\$4.8	\$0.5	\$11.1
2007	\$5.9	\$0.1	\$4.9	\$0.4	\$11.3
2008	\$10.4	\$0.1	\$5.4	\$0.6	\$16.5
2009	\$7.5	\$0.1	\$5.5	\$0.6	\$13.7
Avg. Annual Change	9.6%	0.1%	8.8%	9.1%	6.8%

¹ Expenditures represent the total each grant expended during the SFY and include direct services and/or administrative costs, as appropriate.

² PSSF expenditures for 2000 reflect the federal fiscal year, not the state fiscal year.

³ SFY 2007 expenditures do not reflect the full SFY allocation because of a change in the year-end cutoff date for inclusion in the total.

⁴ CBCAP expenditures reflect grants to public and non-profit agencies using an RFP process.

Number of Individuals or Families Served

Avg. Annual Change	3.5%	-1.1%	0.8%	8.2%	1.6%

¹ The counts represent direct services to families, and do not include a variety of indirect services. Prior to SFY 2005, unduplicated family counts are unavailable.

² Counts represent estimated number of children attending the play using VDSS funds.

³ Prior to SFY 2008, family counts likely include overreporting due to variations in reporting by participating agencies. The SFY 2008 reporting form clarified how to count families receiving services.

⁴ SFY 2005 counts include families eligible for, but not included in, SFYs 2004 and 2006. Beginning in SFY 2006, counts represent unduplicated families. 2007 counts are for the federal, not state, FY. During this latter 2-year period, the definition of counts for "direct services" was changed.

¹ Program is 100% federally funded; information is based on the federal fiscal year (October - September).

² Cash and Medical Assistance includes Refugee Cash and Medical Assistance, Unaccompanied Minors Program, and health screening.

³ Refugee Social Services includes employment services, English as a Second Language (ESL) training, support services, outreach, translation and interpretation services.

⁴ The Targeted Assistance Program provides additional employment, ESL, and support services to areas of heaviest refugee impact.

⁵ Discretionary Grants address critical unmet needs in the refugee community. FY 2009 grants include the Virginia Refugee Student Achievement Program (VRSAP) and the Pathway to English and Civic Engagement (PEACE) project.

¹ Prior to February 2006, the numbers reflect information and referral calls to six regional call centers and to affiliated non-profit organizations in each region. Effective with implementation of the 2-1-1 system in 2006, the numbers reflect calls to the six regional 2-1-1 centers and to affiliated non-profit organizations in the Northern region only. This change has resulted in a more uniform tracking of calls, which is reflected in the 2007 numbers.

² In early 2008, the affiliated non-profits in the Northern region were replaced with a centralized regional call center. This change has resulted again in an improved accuracy in the number of reported calls. In July 2008, the Southwest VA center began 24/7 operations in support of Money Follows the Person initiative. Number reporting for Northern Region has now stabilized with CrisisLink operating for one full year as regional provider. Errors in reporting for 2007 and 2008 by two regional providers were corrected in the 2009 update.

¹ The local fiscal year runs from June 1 through May 31.

² Local-match funds are local expenditures required to obtain federal and state funds.

³ Local-only funds are local expenditures beyond the required local match.

Click on [JLARC Financial Reports](#) for locality level data.

Glossary: Programs and Services

Adoption Assistance [p. 21] – This program facilitates the adoption of children considered hard to place because of their special needs and because few families are available to adopt them. **Federal adoption assistance**, governed under Title IV-E, Section 473 of the federal Social Security Act, provides federal funds (subject to a 50 percent state match) to facilitate the adoption of children with special needs. Payments are for “maintenance,” which includes food, clothing, shelter, daily supervision, school supplies, and personal essentials, as well as non-recurring fees for all children (e.g., cost of home study, transportation, legal expense to finalize an adoption). **State adoption assistance** provides state funds to support the adoption of children with special needs who do not meet federal eligibility criteria under Title IV-E, Section 473. Payments cover maintenance and services for state adoption-eligible children, as well as services for Title IV-E-eligible children. “Services” payments to adoptive parents or vendors are designed to meet the needs of the children and include medical, surgical, and dental costs, equipment for prosthetics, crutches, hearing aids, eye glasses; tutoring and remedial education, books and equipment; psychiatric and psychological evaluations and treatment; speech, physical, and occupational therapy; and premiums for major medical policies.

Adult Protective Services (APS) Reports [p. 26] – **APS** investigates reports of abuse, neglect, and exploitation of adults aged 60 and over, adults 18 or older with disabilities, and other adults with specific needs, to determine if these persons are in need of protection. The goal of APS is to protect a vulnerable adult's life, health, and property without a loss of liberty. **Substantiated reports** mean that an investigation found a preponderance of evidence that adult abuse, neglect, or exploitation has occurred and that the adult needs protective services. **Unfounded reports** lack such evidence. **Pending reports** indicate that an investigation has been initiated but a disposition has not been made. **Invalid reports** either do not meet the four criteria for validity (i.e., adult at least 60 or between 18 and 59 and incapacitated; adult living and identifiable; the circumstances allege abuse, neglect, or exploitation; and the local department is the agency of jurisdiction) at the time of the report, or the investigation shows that the validity criteria were not met.

Adult Services: Home-Based and Other Purchased Services [p. 27] – These services are provided to enable adults aged 60 and over and adults with a disability to remain in the least restrictive environment, preferably their own homes, with dignity for as long as possible, avoiding more costly and restrictive institutional placement. **Chore services** include non-routine, heavy home maintenance tasks. **Companion services** include assistance with activities of daily living, meal preparation, light housekeeping, and shopping. **Homemaker services** involve educational activities such as personal care,

home management, and nutrition, consumer, or hygienic education. Together, these three services are referred to as "home-based services" (see *Code of Virginia* Section 63.2-1600). The "**Other**" **purchased services** category combines adult day services, adult foster care, adult protective services, and nutrition services.

Assisted Living and Adult Day Care Facilities [p. 36]– Assisted living facilities (ALFs) are non-medical residential settings that provide or coordinate personal and health care services, 24-hour supervision, care, and assistance to four or more adults who are aged, infirm or disabled. Assisted living facilities are **not** nursing homes, which are facilities in which the primary function is the provision, on a continuing basis, of nursing and health-related services for the treatment and in-patient care of two or more non-related individuals. **Adult day care facilities**, which must be licensed if operated for profit and may be licensed if non-profit, are non-residential facilities that provide a variety of health, social, and related support services in a protective setting during part of the day, to four or more aged, infirm, or disabled adults who reside elsewhere.

Auxiliary Grant (AG): Caseload and Payments [p. 28] – An Auxiliary grant provides an income supplement to recipients of Supplemental Security Income (SSI) and certain other aged, blind or disabled individuals residing in an assisted living facility (ALF) licensed by the Division of Licensing Programs or in an adult foster care home approved by the individual's local DSS. The financial assistance is to ensure that adults are able to maintain a standard of living that meets a basic level of need (i.e., room and board, maintenance and care). Before being admitted, adults are assessed by the local DSS to determine their eligibility and the appropriate level of care. Not all ALFs accept AG recipients. The VDSS-administered program is 80 percent state- and 20 percent locally funded. **Non-reimbursable expenses** represent either expenses not reimbursable to a locality or expenses not identified by the locality as having been reimbursed already.

Cases Needing Paternity Establishment [p. 49] – In order for a case to be obligated for payment of child support, paternity must be established. The Division of Child Support Enforcement (DCSE) may establish paternity at any time before the child's 18th birthday. (Also, see entries for *Child Support Enforcement Collections* and *Child Support Enforcement Obligations*.)

Child Care: Children and Families Served [p. 30] – The child care program is designed to promote economic self-sufficiency and child development by providing substitute parental care, protection, guidance, and early childhood education. Policies and strategies are intended to: educate parents and promote informed decision-making when selecting a child care provider; provide low-income families with financial assistance to find affordable, quality child care for their children; support parents trying to achieve independence from public assistance; and increase the quality and supply of child care for all

families by improving coordination among child care programs and early childhood development programs.

Child Care Expenditures [p. 31] – TANF child care provides child care subsidies for TANF recipients to support their employment, enable participation in VIEW activities or in approved education or training, and for child protective services. **Transitional child care** provides up to 12 months of child care following closure of the TANF case for income-eligible, employed clients. **Fee child care** requires co-payment by clients and provides child care subsidies for income-eligible, non-TANF families to support their employment, approved education or training, or for child protective services.

Child Day Care and Family Day Facilities [p. 33] – Child day care consists of programs offered to two or more children under age 13 in a facility that is not the residence of the provider or of any of the children in care, or to more than 12 such children at any location. The Division of Licensing Programs licenses or regulates centers to protect the safety, health, and well-being of children in such programs. **Licensed short-term child day care centers** are child day programs that operate for part of the year only, such as summer camps. **Family day homes** are defined as child day programs offered in the residence of the provider, or the home of any of the children in care, for one through twelve children under age 13, excluding the provider's children or children who reside in the home, when at least one child receives care for compensation. Family day homes serving between 6 and 12 children, excluding the provider's children or children who reside in the home, must be licensed. **Family day systems providers** approve family day homes and refer children to their member (family day) homes. Unless licensed or voluntarily registered, family day homes may care for no more than four children under age 2, including the provider's children or children who reside in the home.

Child Protective Services: Central Registry Activity [p. 19] – The **CPS central registry** is a database for "founded" dispositions of child maltreatment, with the time frame for retention established by the *Virginia Administrative Code* (22 VAC 40-700-30). Searches of the registry are triggered upon request of a local DSS agency, upon receipt of a notarized signature of an individual whose name is being searched, or upon court order. When a name is found, Central Registry must contact the local DSS to verify the information, and the local agency must verify and/or correct the information.

Child Protective Services (CPS) Reports [p. 20] – The goal of **CPS** is to provide a specialized continuum of services to protect children from abuse, neglect, or exploitation, to preserve families whenever possible, and to prevent further maltreatment. Every valid report of abuse or neglect must be responded to by either a family assessment or an investigation. **Family assessments** are the preferred response when a child is not in immediate danger and when the alleged abuse or neglect is less severe. Family assessments include developing child safety and family service plans to

remedy maltreatment and/or prevent future maltreatment. **Investigations** are conducted when there are immediate concerns about child safety, there may be a prior history of child abuse or neglect, and/or the reported allegation is severe. Investigations may be founded or unfounded. **Founded complaints** mean that a preponderance of the evidence shows that child maltreatment has occurred. The determination is to be based primarily upon "first source," or direct, evidence. **Unfounded complaints** mean the evidence is insufficient to warrant a disposition of "founded."

Children's Health Insurance Program (CHIP): Enrollment and

Expenditures [p. 11] – **CHIP** is designed to provide comprehensive health insurance to uninsured, low-income children under age 19 living in families who are not eligible for Medicaid. Funded under Title XXI of the Social Security Act, CHIP gives states the flexibility to set eligibility criteria and income levels for coverage. Effective October 22, 1998, Virginia implemented the Children's Medical Security Insurance Plan (CMSIP) as a separate Medicaid look-alike program. Effective August 1, 2001, the state changed the program and name from CMSIP to Family Access to Medical Insurance Security (FAMIS), with benefits modeled after private sector health insurance. Children in families with income greater than Medicaid limits but less than or equal to 200 percent of the federal poverty level are eligible to be covered under FAMIS. On September 1, 2002, to increase enrollment and streamline the program, the state began operating a combination program, which included both the existing FAMIS program and an expansion of Medicaid coverage for children under age 19. Eligibility for FAMIS can be determined by a local DSS office or by the FAMIS Central Processing Unit. On August 1, 2003, Medicaid coverage for children became known as "FAMIS Plus."

Child Residential Care [p. 35] – **Child residential care** includes children's residential facilities, child placing agencies, child caring institutions, and independent foster homes. **Children's residential facilities** are institutions or group homes that provide licensed full-time care, protection, guidance, and independent living services to those between 18 and 21 years old who are transitioning out of foster care. **Child placing agencies** are private-sector agencies that provide adoption, foster care, and related services. **Child caring institutions** are facilities that do not accept public funding and are licensed by VDSS under statutorily fixed standards. **Independent foster homes** are private family homes where children reside for no more than 180 days; their placement is made by a parent or guardian, independent of a child placing agency.

Child Support Enforcement Caseload [p. 44] – Operating under Title IV-D of the Social Security Act, this federal-state-local partnership collects child support: to ensure that children have the financial support of both parents, to emphasize that children need both parents involved in their lives, and to reduce public assistance costs. Child support handles two types of cases, **TANF** and **Non-TANF**, according to whether the custodial parent and child are receiving TANF. TANF and Non-TANF cases are divided into cases with and

cases without judicial or administrative obligations to pay support on a regular basis. **Non-Title IV-D cases** are handled privately, generally through attorneys. The Division of Child Support Enforcement (DCSE) is required by federal law to collect, account for, and distribute all payments from income withholding for such cases.

Child Support Enforcement Collections [p. 45] – Collections represent the total dollars paid on existing child support obligations, TANF plus non-TANF. The table also reflects the number of **obligated cases** in place for both TANF and non-TANF cases. The Division of Child Support Enforcement operates 21 district offices that locate non-custodial parents, their employers, income and assets; establish paternity; establish and adjust child support obligations; establish health-care orders; enforce child support and medical support obligations; and collect and disburse child support payments, including court-ordered medical support payments.

Child Support Enforcement Income Withholding [p. 46] – Once a child support obligation is established, the Division of Child Support Enforcement usually issues an income-withholding order to the non-custodial parent's employer to ensure the obligated amount is withheld by the employer and remitted to DCSE on a regular basis. Some payments (e.g., SSI) are exempt from garnishment by federal and state law.

Child Support Enforcement Obligations [p. 47] – Child support handles two types of cases, **TANF** and **non-TANF**, according to whether the custodial parent and child are receiving TANF. TANF and non-TANF cases are divided into cases with and cases without judicial or administrative support orders or obligations to pay support on a regular basis.

Client Appeals [p. 50] – The Division of Appeals and Fair Hearings ensures that individuals who believe that a local agency has taken inappropriate action in the application of policy or law have an impartial fact-finder. A hearing officer reviews the case, hears the appellant's concerns, and makes a decision on the case. When policy or law has been applied incorrectly, the Division ensures that the local agency is apprised of its improper action and corrects the error. **Administrative disqualification hearings** determine whether an individual has obtained, or attempted to obtain, benefits fraudulently and entail an impartial review by a hearing officer of an individual's actions, to determine whether the individual committed an "intentional program violation" in order to obtain benefits.

Community Services Block Grant (CSBG) Funding [p. 37] – Designed to lessen poverty in communities, this federal grant provides core funding for 27 Community Action Agencies (CAAs) in Virginia and 3 statewide community action organizations. CAA anti-poverty programs include: education, child care (including Head Start), employment, housing, transportation, health and nutrition, community and economic development, and special populations (e.g., the elderly, ex-offenders, the homeless). The statewide programs work

through the CAAs, local governments, and other community agencies on water/wastewater (the Southeast Rural Community Assistance Program), offender re-entry and support (Virginia CARES), and dropout prevention and first-time college options (Project Discovery, Inc.).

Criminal Background Investigations [p. 25] – The Office of Background Investigations (OBI) conducts background investigations on individuals who desire to provide services or care to vulnerable populations. The Office is comprised of two units, the Criminal Background Investigations Unit and the Child Protective Services (CPS) Central Registry Unit. The Office provides consultation and is directly responsible for legislation and regulations concerning background investigations. It also provides technical support and training regarding background investigation issues. Responsibilities concerning criminal background investigations include: (1) conduct national criminal fingerprint background investigations for all employees and volunteers and contractual service workers who provide services on a regular basis and will be alone with a child at a children’s residential facility, licensed or operated by the Departments of Education; Behavioral Health and Developmental Services; and Social Services in accordance with *Code of Virginia* Section 63.2-1726; and (2) conduct national criminal fingerprint background investigations on foster and adoptive parents, relatives, birth parents and adult household members for private child-placing agencies, and local departments of social services in accordance with *Code of Virginia* Section 63.2-901.1.

Domestic Violence Services [p. 38] – The Office of Family Violence supports and strengthens local domestic violence programs through technical assistance and the distribution of state and federal grant funds; promotes public awareness of domestic violence, its prevention, and services to survivors; promotes interagency cooperation for service delivery, technical assistance, and data collection; and maintains and disseminates statistical and program information to legislators and other interested parties. **Short-term services** involve a single interaction with a victim, either face-to-face or by telephone. **Long-term services** are services provided to victims over an extended period during the year. **Safety planning** is a discussion between the victim and an advocate addressing options and resources available to the victim for use in a future dangerous situation. **Criminal justice support** encompasses various forms of advocacy between a victim and an advocate, such as sitting in court with a victim, interacting with court staff, or describing the legal process. **Denied for lack of bed space** represents the number of victims unable to gain shelter at the time of their request. Children are not included in this number.

Energy Assistance: Crisis [p. 15] – The **Energy Assistance Program** assists low-income households in meeting immediate home energy needs. Local DSS offices administer three of the four components: fuel, cooling, and crisis assistance. The fourth component, **weatherization assistance**, is administered by the Virginia Department of Housing and Community Development. **Crisis assistance** is designed to meet emergency heating

needs, includes a one-time-only primary heat security deposit, portable heater for temporary use, purchase of primary home heating fuel, payment of primary heating utility bill, payment for emergency shelter, and/or heating equipment repair or purchase.

Energy Assistance: Fuel and Cooling [p. 14] – **Fuel assistance** purchases primary home heating fuel or pays primary heating utility bills. **Cooling assistance** covers electricity security deposits, the purchase or repair of cooling equipment, and/or payment for electricity to operate cooling equipment.

Family Services Grant Programs [p. 29] – The **Community-Based Child Abuse and Neglect Prevention Grant** is a federal program to help public and private nonprofit agencies establish and expand statewide networks of community-based family resource and support services to prevent child abuse and neglect. The **Healthy Families Program** is an intensive home-visiting program for children from birth to five years of age to improve pregnancy outcomes and child health, promote positive parenting practices and healthy child development, and prevent child abuse and neglect. Home visitors provide higher-risk families with intensive parent education, support, and referral to needed community resources such as health care, housing, and counseling. The **“Hugs and Kisses” play**, a nationally acclaimed play for children in kindergarten through fifth grade, is designed to increase awareness and prevention of child sexual abuse. The VDSS Division of Family Services contracts with Richmond’s *Theatre IV* to perform “Hugs and Kisses” at schools throughout the state. The **Promoting Safe and Stable Families (PSSF) program** provides funding to community-based organizations for family preservation and family support services for families with children at risk of out-of-home placement, and for family reunification and adoption services to children in foster care. PSSF is flexible, capped funding established under Title IV-B of the Social Security Act.

Federally-Declared Disasters [p. 16] – This program uses public funds to assist individuals and families victimized by a federally declared disaster, through the Individuals and Households Program (IHP). The program components are Housing Assistance Grants and Other Needs Assistance Grants. **Housing assistance grants**, administered by FEMA, are for disaster applicants displaced from their primary residence. **Other needs assistance grants** are administered by VDSS and provide assistance for necessary and serious needs resulting from a disaster. Assistance for medical, dental, funeral, and other expenses (e.g., group flood insurance, miscellaneous post-incident clean-up items) are available to applicants without regard to income. Assistance for personal property (e.g., clothing; household room furnishings; appliances; specialized tools and clothing required for work; and necessary educational materials required by school/university), transportation, and moving and storage are restricted to applicants whose incomes do not meet the Small Business Administration income test. Other Needs Assistance grants are 75 percent federal- and 25 percent state-funded.

Foster Care: Number of Children in Care [p. 22] – Foster care provides services, substitute care, and supervision for children on a 24-hour basis, until a child can either return to their family or be placed in an adoptive home or other permanent foster placement. Because foster care is a temporary response to family problems, workers establish a “permanency” goal for each child to ensure that the child will have a safe and stable family with which to live. The **Title IV-E penetration rate** is the percentage of Title IV-E cases relative to all foster care cases.

Foster Care Payment Rates [p. 24] – The **foster care payment rate** is the average monthly maintenance payment per foster child by state, for states in the Urban South Region as defined by USDA for purposes of estimating the costs of raising a child.

Foster Care: Title IV-E and State and Local Expenditures [p. 23] – All children in foster care are eligible to receive room, board and supervision. For children who meet federal Title IV-E requirements, **Title IV-E maintenance** (and administrative) **expenditures** include payments on behalf of a child to cover such costs as food, clothing, shelter, daily supervision, school supplies, personal incidentals, liability insurance with respect to the child, reasonable travel to the child’s home for visitation, and reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement. VDSS administrative and training costs are eligible for limited federal Title IV-E reimbursement for foster and adoptive parents and for public and private child welfare workers. VDSS costs for **non-Title IV-E eligible children** are covered under the state- and locally-funded **Comprehensive Services Act (CSA)**. **CSA** is a 1993 state law that provides for pooling eight specific funding streams to purchase cost-effective, community-based services for high-risk, troubled youths. State and local agencies, parents, and private service providers collaborate to plan and deliver services. Both funding and services are designed to be child-centered and family-focused, and address the strengths and needs of at-risk youth and their families.

Fraud Investigations [p. 17] – Fraud Management is responsible for ensuring program integrity in all VDSS programs. It also provides technical assistance, fraud investigative training, and policy support to LDSS offices.

General Relief: Caseload and Payments [p. 13] – A local-option program designed to provide maintenance or emergency assistance that cannot be provided through other means, **General Relief (GR)** is financed through state and local governments. Components may include assistance for medical or dental services and burial expenses. Local DSS offices design their GR plans to meet the needs of the community.

Local Department Expenditures [p. 51] – These totals comprise all local DSS office expenditures reported and reimbursed through LASER (the Locality Automated System for Expenditure Reimbursement), a VDSS financial management system. Expenditures are categorized by funding source:

federal, state, local match for federal and state funds, and local only (expenditures beyond the required local match and, therefore, non-reimbursed).

Medicaid Enrollment [p. 9] – Established under Title XIX of the Social Security Act, Medicaid enables states to provide medical and health-related services for individuals who meet income and other eligibility criteria. The program is jointly funded by state and federal governments. In Virginia, the Department of Medical Assistance Services is the lead state agency and sets Medicaid policy. Local DSS offices determine eligibility for and enroll individuals in Medicaid.

Medicaid Payments [p. 10] – Individuals are eligible to receive Medicaid payments if they meet non-financial requirements and resource and income limits for a specific covered group. Covered groups include: the categorically needy (e.g., the aged, blind, and disabled; Auxiliary Grant cash recipients; and Families and Children, meaning children in foster care or adoption assistance); the medically indigent (e.g., low-income aged, blind, and disabled, and low-income Families and Children such as pregnant women and children under age 19); the medically needy (e.g., the aged, blind, and disabled, and Families and Children including pregnant women, non-Title IV-E children in foster care or adoption assistance, and children in the care of the Juvenile Justice Department); and refugees. VDSS must verify that an individual meets both the definition for a covered group and the associated financial and non-financial requirements. **Unattributed payments** are payments made for a variety of Medicaid expenditures that are not captured by the Medicaid Management Information System.

Neighborhood Assistance Program (NAP): Tax Credits [p. 39] – The Neighborhood Assistance Act Tax Credit, passed in 1981 by the General Assembly and assigned to the Department of Social Services, is designed to encourage businesses and individuals to contribute directly to approved nonprofit organizations (currently more than 200) that work with individuals whose income is less than or equal to 150% of the federal poverty level. The program uses state income tax credits provided at a \$2.50:\$1.00 ratio and may reimburse a business for up to 40 percent of their contribution. Business contributions emphasize partnerships between private and public sector agencies and may be in the form of cash, merchandise, health care services, stock, real estate, professional services, contracting services, or rent/lease of the participating nonprofits' facilities. Individual donations are limited to cash or marketable securities.

Neighborhood Assistance Program: Used Tax Credits [p. 40] – This page shows tax credits used under the Neighborhood Assistance Act Tax Credit by type of contribution. Tax credits may be carried over for five succeeding taxable years or until the full credit has been used.

Office of Volunteerism and Community Service [p. 42] – This Office serves organizations that strengthen their communities through volunteerism and service. Working with Virginia Corps, the Volunteer Center Network of Virginia and the Governor's Advisory Board on National and Community Service, the Office promotes a sustainable, collaborative statewide system of volunteer service. It leads the Department's Faith-Based and Community Initiative (FBCI) and funds state AmeriCorps programs, whose members tutor and mentor youth, build affordable housing, teach computer skills, clean parks and streams, run after-school programs, and help communities respond to disasters, among other services.

Paternity Establishment in Child Support Cases and the In-Hospital Paternity Project [p. 48] – Before a child support case may be obligated, the paternity of the child must be established. This may be done administratively through the 21 district offices, judicially by order of the courts, or through the **in-hospital paternity establishment project**. Under the hospital-based Paternity Establishment Project, hospital staff are required to give unmarried couples the opportunity to voluntarily acknowledge the paternity of their child, shortly after the child's birth. This project is distinct from paternities established in child support cases, and applies statewide to all unmarried parents with a hospital birth.

Refugee Resettlement: Refugee Arrivals and Funding [p. 41] – The program is 100 percent federally funded and provides support for men, women and children from all parts of the world forced to flee their homelands because of armed conflicts or gross violations of human rights. The program promotes self-sufficiency through the provision of time-limited services that include health screenings, employment assistance, English as a second language training, cash and medical assistance. "Arrivals" include refugees, asylees, Cuban/Haitian entrants, special immigrant visa holders (SIV), and victims of human trafficking.

State and Local Hospitalization (SLH) Expenditures [p. 12] – The **SLH** Program provides medically necessary services to indigent persons who are not Medicaid-eligible. This state- and locally-funded program covers in-patient and out-patient hospitalization, ambulatory surgical services, and local Health Department clinic visits. The Department of Medical Assistance Services administers the program, and local DSS offices determine eligibility and enroll individuals in SLH. In May 2009, the Program was discontinued as a result of the state's budgetary situation.

Supplemental Nutrition Assistance Program (SNAP) and TANF Overpayment Collections [p. 18] – Fraud Management monitors collections of overpayments for the Supplemental Nutrition Assistance Program (SNAP) – formerly the Food Stamp Program – and TANF. Overpayments occur because of: agency error, inadvertent household error, or fraud (i.e., intentional program violation). In matters of fraud, Fraud Management acts as the liaison to the LDSS and other state and federal agencies.

Supplemental Nutrition Assistance Program (SNAP) Caseload and Payments [p. 1] – The **Supplemental Nutrition Assistance Program (SNAP)** is designed to alleviate hunger and malnutrition by increasing the purchasing power of low-income households. **Public assistance (PA)** cases are those households where all members receive or are eligible to receive income from TANF, TANF Diversionary Assistance, General Relief, or SSI and, also, households where any member receives VTP (VIEW Transitional Payments). **Non-public assistance (NPA)** cases are those households where at least one member is not eligible to receive income from TANF, TANF Diversionary Assistance, General Relief, or SSI. Unless otherwise requested, TANF and General Relief applications are considered applications for the SNAP Program.

Supplemental Nutrition Assistance Program (SNAP) Payment Error Rate [p. 2] – The U.S. Department of Agriculture requires states to measure the accuracy of SNAP eligibility and benefit determinations. **Positive error rates** are the percent of payments made in error on active cases, and are determined monthly and annually, both for local agencies and statewide. "Errors" consist of overpayments, underpayments, and ineligible payments.

TANF Caseload and Payments (excluding TANF-UP) [p. 3] – Temporary Assistance for Needy Families (TANF) provides temporary cash assistance and employment-related services to enable families with children to become self-supporting. It is funded primarily through a federal block grant. Virginia sets the eligibility criteria for TANF benefits and services and promotes economic independence through participation in **VIEW, the Virginia Initiative for Employment not Welfare**. VIEW offers employment-related activities, education, training, and needed support services. Beginning in October 2006, **VIEW Transitional Payments (VTP)** have been included in the TANF counts. **VTP** assists, for one year, former TANF clients who remain employed after leaving TANF/VIEW.

TANF Cases Without a Parent Present on the Grant [p. 5] – This TANF category includes cases where a caretaker or relative (e.g., aunt, grandparent) has custody of the child, and the child qualifies for TANF benefits.

TANF Diversionary Assistance Payments [p. 6] – This program provides a one-time cash payment of up to 120 days worth of emergency benefits to TANF-eligible applicants, in lieu of monthly TANF assistance. Recipients are not eligible for TANF for up to 160 days following a payment. Diversionary assistance payments are included in the TANF and TANF-UP payments reported on pages 3 and 4.

TANF Unemployed Parents (UP) [p. 4] – This TANF program is for families with children and two able-bodied parents. As with TANF, **TANF-UP** provides temporary cash assistance and employment-related services to enable two-parent families with children to become self-supporting.

Unlicensed, Registered Child Care Facilities [p. 34] – Child care facilities that choose not to be licensed must meet health and safety legal requirements and submit documentation to VDSS. **Religious exempt** centers are child day care centers sponsored by religious institutions that may choose to be unlicensed. A **voluntarily registered family day home (or FDH)** is a home in which care is provided to five or fewer children, excluding the provider's children or children who reside in the home. A **certified pre-school center** operates as a pre-school accredited in conjunction with a private school.

VIEW Employment and Hourly Wage by Industry [p. 8] – The **Virginia Initiative for Employment not Welfare (VIEW)** offers employment-related activities in a variety of industries as well as education, training, and needed support services.

Virginia Child Care Provider Scholarship Program [p. 32] – Funded through Virginia's share of the federal Child Care and Development Fund, this scholarship provides tuition assistance to child care providers for early childhood development courses at Virginia institutions of higher education. Recipients must be: (1) an employee of a child care program in Virginia, or (2) a Virginia resident (as defined by the *Code of Virginia* Section 38.2-1800.1) who is employed in a non-Virginia child care program, or (3) a Virginia resident who intends to become employed in child care.

Work Activity of All Enrolled in VIEW [p. 7] – Prior to October 2006, **work activity** for those enrolled in VIEW included subsidized or unsubsidized employment, community work experience, and on-the-job training. Starting October 2006, job search for six weeks per year and vocational education up to one year were added as allowable work activities, consistent with changes in federal law.

2-1-1 VIRGINIA: Statewide Information and Referral Program [p. 43] – Operated through six regional centers and connected by toll-free numbers (2-1-1) as well as a 2-1-1 web site, this program refers individuals to a wide variety of health and human services: basic needs (e.g., food banks, shelters, rent/utility or energy assistance, temporary assistance); physical and mental health resources (e.g., Medicaid, family health insurance); nutrition programs; work initiatives and jobs; support for children, youth, and families (e.g., early childhood learning centers, child support enforcement, after-school programs, family resource centers); support for seniors and persons with disabilities (e.g., adult day care, home health care, respite care, transportation); volunteering (e.g., volunteer centers, mentoring opportunities); and tax credits (i.e., the Earned Income Tax Credit).

Glossary: Data Sources

AATS – Automated Appeals Tracking System, used by the Appeals and Hearings office to collect and track data for appeals cases.

ADAPT – Application Benefit Delivery Automation Project, the VDSS automated system used to determine eligibility for the Supplemental Nutrition Assistance Program (SNAP; formerly, Food Stamp), TANF, and families and children's Medicaid programs.

APECS – Automated Program to Enforce Child Support, the VDSS automated system used by the Division of Child Support Enforcement to manage cases administratively and financially.

ASAPS – Adult Services Adult Protective Services, the web-based VDSS automated system used by the Division of Family Services, Adult Services and Adult Protective Services, to report, track, and manage cases. The system was brought online October 1, 2005.

DHHS Office of Refugee Resettlement Arrivals Data – This Office of the U.S. Department of Health and Human Services collects data on refugees by country of origin and state of initial resettlement.

DMAS Statistical Record (Annual) – The Department of Medical Assistance Services' annual "Statistical Record of the Virginia Medicaid Program and Other Indigent Health Care Programs." Posted on the DMAS web site through 2006, the Statistical Record is now an internal document.

DOLPHIN – Division of Licensing Programs Help and Information Network, a web-based system that compiles and tracks the regulatory inspections and monitoring data for almost 7,000 non-medical day and residential facilities in the state.

EAS – Energy Assistance Systems, the databases used to collect and store data about VDSS Energy Assistance Programs.

ESPAS – Employment Services Program Automated System, the information system for VIEW clients' work activities; a subsystem of ADAPT.

FARS – Fraud Activity Statistical Reporting System, used through February 2004; the database to which local agencies submitted their monthly fraud statistics.

FDTs – Fraud Database Tracking System; operational since March 2004, a central repository for detailed case data used for investigation, case management, and federal reporting. Local DSS staff enter data on fraud investigations into FDTs, which includes a reporting feature.

FSCTS - Food Stamp Claims Tracking System, the automated system of record for tracking the establishment and collection of SNAP claims (i.e., overpayments), including claim amount, period of overpayment, error type, status, payments received, and balances. The system is used to certify delinquent debts to the Treasury Offset Program and create a quarterly federal report of claim establishments and collections.

LASER - Locality Automated System for Expenditure Reimbursement, a statewide system for processing local agency reimbursements. Local staff enter expenditure and case data using account codes to identify the types of expense for which reimbursement is requested.

MMIS - Medicaid Management Information System, the Department of Medical Assistance Services' automated system introduced in 2003 (beginning with SFY 2004), to process claims for qualified medical assistance services (e.g., Medicaid, FAMIS, SLH) and managed care organizations. MMIS incorporates the compilation of program data on participants in the **state and local hospitalization (SLH) program** and replaced the SLH Database (*description below*), used through SFY 2003. MMIS is fully compliant with all Health Insurance Portability and Accountability Act of 1996 (HIPAA)-required standard transactions and codes.

OASIS - Online Automated Services Information System, the online case management system for Child Protective Services, Foster Care, and Adoption cases.

SLH Database - Used through SFY 2003, the Department of Medical Assistance Services' database for compiling program data (e.g., recipients paid, in-hospital days paid, dollar value of claims paid) on participants in the **state and local hospitalization (SLH) program**. Effective in SFY 2004, this function was incorporated into the Department's Medicaid Management Information System (MMIS), described above.

Supplemental Nutrition Assistance Program (SNAP) Monthly Participation Report - This monthly report from ADAPT provides SNAP (formerly, Food Stamp) data for the number of households, persons, and issuance amounts by locality, VDSS region, and statewide. Each category is divided into public assistance, non-public assistance, and total. "Public assistance" and "Non-public assistance" are defined in the **Glossary: Programs and Services** for "SNAP Caseload and Payments (p. 1)."

USDA Food and Nutrition Service (FNS) Quality Control reports - These reports are part of a U.S. Department of Agriculture FNS system that measures the accuracy of state eligibility and benefit determinations. Data collected by quality control staff are used to report performance, for analysis, and program improvement.

Glossary: Data Sources

VACIS – Virginia Client Information System, the predecessor system to ADAPT and current Services systems (e.g., ESPAS, OASIS).

Virginia Independence Program (VIP) Monthly Reports – Three basic elements form the core of VIP, part of the state’s welfare reform program undertaken in July 1995: personal responsibility, work in exchange for benefits (i.e., the VIEW Program), and time-limited assistance. Monthly reports on VIP include work participation rates and VIP TANF and TANF-UP case activity by locality and state Economic Development District.

Virginia Sexual and Domestic Violence Data Collection System (or “VAdata”) – an integrated statewide database that began in 1996 and collects information about all victims who use the services of local domestic violence programs and sexual assault centers.

VNIS – Virginia Newcomer Information System, a web-based, statewide refugee data collection and management system.

WRAPS – Worldwide Refugee Admissions Processing System, an interactive computer system based at the U.S. Department of State in the Bureau of Population, Refugees, and Migration. The system is used to process and track the movement of refugees from various countries around the world to the U.S. for resettlement through the U.S. Refugee Admissions Program.
