Fall 2014 Webinar Dates for the Affordable Care Act 101

Presented by SBA, HHS, & Small Business Majority

Health care continues to be an important issue for small business owners. The Small Business Administration, Department of Health and Human Services, and Small Business Majority are committed to helping businesses navigate the changes and opportunities in health care through the Affordable Care Act 101 webinar series.

Each week, small business owners can learn the basics of the Affordable Care Act and how they can enroll in small business health insurance marketplaces. Other topics discussed include insurance reforms, the small business health care tax credit, and employer shared responsibility provisions. SBA and HHS representatives help small business owners understand the facts of the Affordable Care Act so they can make informed decisions about providing health insurance for their employees.

The Affordable Care Act 101 takes place every Thursday at 2 PM ET. Below are the registration links for upcoming Fall presentations.
