VIRGINIA
INFANT & TODDLER SPECIALIST
NETWORK

"Achieving Excellence in Early Care"

Participants will:

- Define social emotional development and describe how it is impacted by caregiving relationships
- Discuss why it is important to pay attention to the social emotional climate of infant and toddler settings, and what children's behaviors and communication tell us
- Identify strategies to promote social emotional skills in infants and toddlers
- Reflect on how culture influences social emotional development, and discuss ways to support families and promote social emotional skills in their young children

Registration and payment must be received one week prior to training date. Space is limited, register today!

Previous participants may not attend.

To register by phone call Mary Sheldon at (757) 378-3172 or email marys@cdr.org

A \$30 non-refundable registration fee is required to reserve your space.

No Refunds—Substitutes Only

Upon completion of both days of training, in their entirety, each participant will receive:

- a certificate for 12 hours of training that can be used for clock hours required by the Virginia Department of Social Services
- social emotional materials
