

Piedmont Region December 15, 2011

Family Partnership Meetings (FPM) are a structured decision making process. FPMs require facilitators who have received training approved by the Virginia Department of Social Services to lead these meetings. A list of approved Family Partnership Meeting Facilitators are listed by region and localities and community partners. The listings are provided for your convenience and will be updated periodically. If you have any questions or information that needs to be updated, please forward it to Tracey G. Jackson at tracey.jackson@dss.virginia.gov
