Good Afternoon,

I wanted to let you know that all four parts of the online training series, developed specifically for adult day care centers, are now available for you to view online. Please review the information on the attached flyer for directions to access the training series. The cost is \$15 and you will receive a training certificate once you have completed all four parts of the series.

Our next online training series should be available in late August. I will keep you posted!

Thank you,
