Good Afternoon,

Please see the below information and attached brochure for a training opportunity you may be interested in.

I wanted to send you a personal invitation to check out our newest program in our Career Development Series! We are partnering with expert career consultant, Helene Bumbalo to bring you a full day course to help you develop your professional identity and work on building relationships - skills that can be used both professionally and personally which can lead to better outcomes for your organization. See the attached flyer for more information.

We hope you can join us. If you know someone who may benefit from participating in an event like this, please pass it on.

To register, please click the corresponding link below. We hope to see you there!

Career Success Made Easy Through Networking!

Reframe what you believe about **networking**. Learn strategies to develop and engage a network of **friends, allies, and advocates** who will help you travel a fulfilling career path, even as the **world of work** changes and shifts.

In this day long class, you will:

- Identify current beliefs that undermine your abilities to network
- Create a mindset that eases and builds your networking skills
- Assess your current network
- Assess your networking strengths and shortcomings
- Build talking points and initial questions to increase your comfort level
- Practice! Practice! Practice!
