We are pleased to announce that we have established a special email address as a means of communications for Providers to be able to send questions that are specific to the new regulations that become effective February 1, 2018.

We encourage you to send your questions to the email address provided below. Although we may not be responding to the questions that you send via email, we will either address them within the content of our presentations or through a Question & Answer document at some point following the completion of all trainings.

Be on the lookout for flyers regarding upcoming training sessions in your region on the new regulations. Specific locations and times will be noted on the flyers. If you have not received information by the end of October, please contact your Inspector.
