WORKING WITH CHALLENGING BEHAVIORS IN A CHILD CARE SETTING: A Trauma Informed Approach

Sponsored by: Virginia Department of Social Services
Valley Licensing Office

Location: Bridge Christian Church
1275 Goose Creek Road
Fishersville, VA 22939

Presenter: Pam Houck, Childcare Specialist, Child Care Aware of Virginia

The Valley Licensing Office will be sponsoring a training provided by Child Care Aware of Virginia. The purpose of the training is to offer trauma informed interventions and behavior strategies to utilize when faced with challenging behaviors in a child care setting. This training is suitable for any staff and is open to licensed family day homes, licensed child day centers, religiously exempt centers and certified preschools.

A brief presentation will also be provided by licensing staff on new applications.

There is no fee for this workshop. Snack foods will be provided. Participants will receive 3.0 training hours for attending the session. Training hours will be reduced for late arrivals and/or early departures. Please note that we love children, and children are our business, but training is not an appropriate setting for a child. Please make alternate arrangements for child care. Registration begins at 8:30 a.m. The deadline for registration is Monday, November 20, 2017.

Directions to Bridge Christian Church will be provided upon registration confirmation via e-mail. Please e-mail Becky Zickefoose @ becky.zickefoose@dss.virginia.gov to register for this training. If you do not have e-mail capability, you may call the Valley Licensing Office in Fishersville at (540) 332-2330.
