REMINDERS

• The Division of Licensing – Children’s Programs (DOL-CP) does not make any direct referrals, set your rates, or supply you with clients.

• Voluntarily Registered family day homes may only have four or fewer children present at any one time. This does not include the provider’s own children or any children residing in the home. If you provide care for 5 or more children in your home, you must be licensed. Here is the link to VDSS licensing page should you decide you are interested in operating a licensed family day home:

• Please review the Health and Safety Checklist and the Requirements for Providers regulation carefully to determine if you need to make any changes to your home or purchase items such as mats, cribs, latches, locks, safety gates, etc.

• Virginia law requires that day care providers disclose to parents whether there is liability insurance in effect for the day care. This is usually separate from homeowner’s or renter’s insurance. Make sure all parents sign the disclosure form, which should be maintained in the child’s file.

You must have your home inspected prior to the issuance of a renewal certificate. Please mail the application, and required documents, to the appropriate agency 60 days prior to renewal to allow plenty of time for scheduling the inspection. This renewal packet of information includes:

• The application for voluntary registration – this form must be completed and notarized. Please do not leave any sections blank, instead draw a line through the space or mark it as “N/A”.

• Health and Safety Checklist – please complete this form carefully and accurately. An inspector or home monitor will confirm compliance with each area once your completed application has been received.

• Training Needs Assessment will assist the Home Monitor to determine which areas may need additional training during the visit. This form should be completed and returned prior to the home inspection. (This form is optional.)

• The Sworn Statement must be completed by the applicant, assistant (regardless of age), substitute provider, and each adult household member. You must respond accurately and completely by answering each question for both within and outside the Commonwealth of Virginia.

• Report of Tuberculosis Screening for Children’s Programs – This form must be completed for the provider, assistant, substitute, and any adult household member.

• Instructions regarding fingerprint searches and eligibility letters from the Office of Background Investigations.

• Child Protective Services (CPS) Central Registry Release of Information Form.

Thank you for your continued participation and interest in the voluntary registration program.
Provider Application Form

- This form must be notarized!
- Please complete each section completely.
- Please write legibly and do not leave any blanks spaces
- Mark “N/A” if any section does not apply.
- The application fee is $50.00 and NON-REFUNDABLE. (This fee does not include the fee for the criminal records check, CPS Central Registry check or any charges for a TB screening or testing.)
- Checks should be made payable to: “Treasurer of Virginia” if you are submitting an application to DOL-CP. If you live in a city or county served by a contract agency, please contact that agency for payment information.

Remember, your application is not complete until Division of Licensing – Children’s Programs (DOL-CP), or the appropriate contracting agency, receives your application, application fee, completed health and safety checklist and copies of the TB screening and copies of the background check forms/results for each person required to submit background checks.

VR-FDH Health and Safety Checklist

- Follow the instructions provided on the form.
- This checklist should be used to conduct your home inspection.
- PLEASE READ each item carefully and check appropriately.
- Renewal inspections are unannounced.
- If you have any questions regarding any standard in the regulation or on the Health and Safety Checklist – ASK!  It is important to have your home set up for the inspection just as if children are in care.
Voluntary Registration Health and Safety Checklist

Verify each item that is currently true for your home by inserting a P (provider) in the slot provided before the item. The contract agency representative will complete the form by initializing or marking with an S (screener). Licensing Inspector will determine compliance electronically during the inspection. Mark the item N/A if the item is not applicable to your home.

Section 1. I AM PREPARED TO DEAL WITH EMERGENCIES:

- I have a medical release form from each family to permit emergency care; I also have the names and phone numbers of one or more persons besides the family who may be contacted in case of an emergency.

- My address or equivalent identifying information is easily seen from the street or parking lot.

- Exit ways, hallways and stairways are always well lighted and free of obstructions.

- I have a first aid kit and an operable flashlight available at all times.

DEPARTMENT OF SOCIAL SERVICES  
(Model Form)  

Explanation of Sworn Statement or Affirmation  

Requirement: Sections 63.2-1704, 63.2-1720, 63.2-1720.1, 63.2-1721, 63.2-1721.1, 63.2-1722, 63.2-1724 and 63.2-1725 of the Code of Virginia (Code) require individuals to provide a sworn statement or affirmation to a licensing, approving or hiring authority, facility, or agency prior to licensure, registration, approval, employment, or provision of volunteer services. A sworn disclosure or affirmation is a statement completed by a person attesting to whether he has ever been: (i) convicted of or the subject of pending charges of any crime within the Commonwealth or equivalent offense outside the Commonwealth, or (ii) the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. Additionally for family day homes, the person affirms if he, or if he knows that any person who resides in the home, has a sex offense conviction or is the subject of a founded complaint of child abuse or neglect within or outside the Commonwealth. The statement or affirmation must be made available to the Department of Social Services’ representative.

Who must comply: These individuals must provide sworn statements or affirmations:

- Applicant upon application for licensure or registration as a child welfare agency, and any subsequent person designated as applicant, licensee, or registrant;
- Agent at the time of application who is or will be involved in the day-to-day operation of the child welfare agency or who is or will be alone with, in control of, or supervising one or more of the children and any subsequent person designated as agent who will be involved in the day-to-day operation or will be alone with, in control of, or supervising one or more of the children;
- Any other adult living in the home of an applicant for licensure or registration or approval as a family day home, or any existing employee or volunteer, and subsequent employee or volunteer or other adult living in the home;
- Operator of family day home requesting approval by family day system;
- Person who signs the statement of intent to operate a religiously exempt child day center;
- Any person who will be expected to be alone with one or more children enrolled in a religiously exempt child day center; and
- Any employee or volunteer of a licensed, registered, or approved facility who is involved in the day-to-day operations or who is alone with, in control of, or supervising one or more children.

Note: Any other child day center or family day home that has not otherwise met these requirements, and applies to enter into a contract with a local department to provide child care services to clients of a local department, must also submit a sworn statement or affirmation.

Exception: A parent-volunteer is not required to provide a sworn statement or affirmation. A parent-volunteer is a person supervising, without pay, a group of children that includes the parent-volunteer’s own child in a program that operates no more than four hours per day, provided that the parent-volunteer works under the direct supervision of a person who has received satisfactory background checks as provided for in the Code.

Any person making a materially false statement regarding any such offense is guilty of a Class 1 misdemeanor.

Further dissemination of the sworn statement information is prohibited other than to the Commissioner’s representative or a federal or state authority or court in order to comply with an express requirement in the law for that dissemination.

Consequence: If a person required to submit a sworn statement or affirmation (i) fails to submit a sworn statement or affirmation, or (ii) has been convicted of a barrier crime (specified below), or (iii) has been convicted of any other felony in the last five years, or (iv) has been the subject of a founded complaint of child abuse or neglect, and the facility refuses to separate that person from employment or service:

- Licensure, registration or approval of a child day program is prohibited;
- Licensure, registration or approval will be revoked and renewal of a license or registration or religiously exempt status will be denied;
- Religiously exempt status will be revoked; and
- The child welfare agency will not be permitted to receive federal, state or local child care funds.

Exception: A person who wants to operate or to volunteer or work at a facility covered by this regulation, but who is disqualified because of a criminal conviction, or a criminal conviction in the background check of any other adult living in a family day home governed by this regulation may apply for a waiver if: 1) a non-barrier crime felony conviction occurred less than five years ago, or 2) any other adult living in the home of a state regulated family day home applicant or provider has been convicted of not more than one misdemeanor offense of assault and battery or assault and battery against a family or household member. This other adult may not be an assistant or substitute provider.

Who needs an out of state child abuse and neglect registry check?

Anyone who has lived in another state in the past five years is required to request a check of the child abuse and neglect registry for each state they have lived in the past five years. This link will connect you with the Adam Walsh State Contact for Child Abuse Registries: http://www.dss.virginia.gov/files/division/licensing/vrfdh/intro_page_current_providers/background_investigations/Other_States_Request_for_Search_of_the_CPS_Central_Registry.pdf

This registry includes contact information for each state along with the procedures, forms, and fees needed to complete the search. New applicants and agents for licensure, approval, and registration must request an out of state check when they initially apply for a license, approval, or registration. New employees, new volunteers, and new household members need to request an out of state check within 30 days of hire, beginning volunteer service, or becoming a resident. If results from the out of state checks are not received within 45 days of the request, you must follow up with the other state(s) and keep documentation of that follow up contact. If a state does not have a child abuse or neglect registry or will not search the registry for residents of another state, please keep documentation of the request to search along with any information sent from the state indicating no search could be conducted. You may submit a copy of the request for any out of state child abuse registry search with your VR-FDH application so that your Virginia background check results do not expire while waiting for the out of state checks to be returned.
