Brenda Snead at (757) 327-7401 or brenda.snead@dss.virginia.gov

COVLC Update

The COVLC project team continues to assess the COVLC functionalities and user experience. We have revised the guide [Request an Account](#). The revised guide clarifies setting an organizational profile within an account.

This guide is intended for new employees of local departments of social services who need to register a new COVLC account. Employees can access the guide on the [VDSS COVLC Information website](#).
