the lives of children and your community?

# BECOME A CHILD CARE PROVIDER

If you have a gift for caring for children, consider making a difference in your community by becoming a child care provider.

Let the Virginia Department of Social Services be your partner in starting or growing your child care business as you work from home and earn an income.

The logo for Child Care VA.com features a stylized 'C' in purple and blue, followed by the text 'Child Care VA.com' in blue and purple.

# JOIN THE CHILD CARE SUBSIDY PROGRAM

## What are the benefits of becoming a Child Care Subsidy Program Provider?

- » Access valuable training and resources, such as scholarships and free training in first aid, CPR, and many other topics
- » Receive payments every two weeks
- » Gain a new customer base and diversify the families you serve
- » Enhance your program and achieve your business goals
- » Support children and working families
- » Access low or no interest loans to purchase materials and transportation, and make minor modifications to your child care environment
- » Families participating in the subsidy program are eligible for a minimum of 12 months, meaning you have continuous and consistent customers.

*Licensed, religiously-exempt, voluntarily-registered and unlicensed small family child care programs are all welcome to apply.*
