Temporary Assistance for Needy Families (TANF)

TANF provides temporary financial assistance to eligible families with children. To be eligible, a family must be financially needy and meet certain other requirements. An eligible child is one who is:
- under the age of 18 years or, if 18 but not yet 19, is enrolled in and attending a secondary school or vocational/technical school of secondary equivalency and is meeting the enrollment and attendance requirements as determined by the local school board;
- living with a parent or other relative, or is in foster care under certain conditions; and
- is a U.S. citizen or eligible immigrant.

An applicant must cooperate in naming the parents of all eligible children and must help establish paternity for each child.

The amount of the TANF benefit is based on the size of the family. A family may still be eligible to receive TANF while receiving money from other sources.

TANF debit cards may not be used to buy lottery tickets, alcoholic beverages, tobacco products, or sexually explicit materials. In addition, TANF debit cards may not be used in liquor stores, tattoo or body-piercing businesses, businesses that provide adult-oriented entertainment, casinos, or places where gaming is conducted.

If you receive TANF, you may be required to participate in the Virginia Initiative for Education and Work (VIEW) program. Families in the VIEW program may earn income and receive TANF. However, the total income cannot be more than the federal poverty level for the family size.

A family with someone in VIEW may receive TANF for no longer than 24 months followed by a period of 24 months ineligibility. A family may receive TANF no more than a total of 60 months in a lifetime.

Additional information regarding the TANF program, application, forms and manual is available at [www.dss.virginia.gov/benefit/tanf](http://www.dss.virginia.gov/benefit/tanf).

Medical Assistance Programs—Medicaid, FAMIS Plus, and FAMIS (Family Access to Medical Insurance Security Plan)

Medicaid and the Family Access to Medical Insurance Security Plan (FAMIS) are Medical Assistance programs that make direct payments to health care service providers for eligible individuals and families who are unable to pay for needed medical services. FAMIS Plus is full coverage Medicaid for children under the age of 19.

Medical Assistance Programs cover the following groups:
- children under age 19 years;
- parents with dependent children under age 18 years living in the home;
- pregnant women;
- adults age 19-64 years;
- adults age 65 years and older;
- blind individuals; or
- disabled individuals based on standards adopted by the Social Security Administration.

To be eligible for coverage, income and, for some groups above, resources (assets) must be within allowable limits.

Plan First is a limited-coverage group that covers family planning services and is available to those who do not meet other full-coverage Medical Assistance groups. FAMIS, and its program for pregnant women, FAMIS MOMS, covers uninsured children under age 19 years and pregnant women with income that is too high for FAMIS Plus/Medicaid but is under the income limit for FAMIS/FAMIS MOMS.

Medicaid/FAMIS Plus and FAMIS have different income limits and nonfinancial requirements. When someone applies for Medical Assistance, the eligibility worker will determine if the person is eligible for a program. Medicaid and FAMIS pay for a variety of medical services, including prescription drugs, doctor visits, nursing facility care, dental benefits, and hospital care.

Information about Medicaid/FAMIS Plus is available online at [www.dss.virginia.gov](http://www.dss.virginia.gov) and [www.coverva.org](http://www.coverva.org) or call 1-855-242-8282 for information about FAMIS.

Supplemental Nutrition Assistance Program (SNAP)

SNAP benefits will help you buy nutritious food for your household. You may also buy seeds or plants to grow your own food.

You may not use SNAP benefits to:
- Buy alcoholic beverages, tobacco, soap, paper products, or other nonfood items;
- Buy hot food ready to be eaten on the store premises unless you are part of the Restaurant Meal Program.

SNAP benefits are issued electronically to eligible households. You will get a card that is similar to a credit or debit card to use at the authorized retailers to buy food. You must select a Personal Identification Number (PIN) and use that PIN when you swipe the card at the store. SNAP benefits will be added to your account each month you are approved for benefits.

Additional information about SNAP benefits is available at [www.dss.virginia.gov/food.cgi](http://www.dss.virginia.gov/food.cgi).

Energy Assistance Program (EAP) - EAP consists of three components: Fuel Assistance, Crisis Assistance, and Cooling Assistance.

Fuel Assistance assists low-income, eligible households by supplementing home energy costs. Applications are accepted the second Tuesday in October through the second Friday in November. Crisis Assistance assists low-income households with energy related emergencies. Applications are accepted November 1st through March 15th. Cooling Assistance assists households in acquiring or repairing cooling equipment and/or payment of electric bills to operate cooling equipment. Applications are accepted June 15th through August 15th.

Additional information about the EAP is available at [www.dss.virginia.gov/benefit/ea](http://www.dss.virginia.gov/benefit/ea).
