Applying for Medical Assistance

Do I need a paper application form to apply for Medical Assistance?

There are easy ways to apply for Medical Assistance if you don’t want to fill out a paper application form:

- You can use CommonHelp, Virginia’s online application for assistance, to apply for Medical Assistance, as well as other benefit programs at the same time. Anyone can apply for Medical Assistance on CommonHelp.

- If you are only interested in applying for Medical Assistance and your application includes a parent, child and/or pregnant woman, you can also apply by telephone by calling Cover Virginia at 1-855-242-8282.

What if I want to apply for other benefits too? Or just for another benefit but not Medical Assistance?

You can apply for Medical Assistance, the Supplemental Nutrition Assistance Program (SNAP—formerly Food Stamps), Temporary Assistance for Needy Families (TANF), and more help online using CommonHelp. You can apply for any or all of these benefits at the same time on CommonHelp.

If you prefer a paper application form, you can use the Application for Benefits to apply for assistance programs except Medical Assistance. **If you also want to apply for Medical Assistance, you need to follow the steps below to complete a separate application form.**

A paper application is best for me. How can I get a form?

I want to print my own application. What do I need to print?

You may need to print and complete more than one form. Please read the steps below to find out which forms you need. If you have any questions about which forms you need to fill out, please call Cover Virginia at 1-855-242-8282.

2. If you need to apply for more than two (2) people, print and complete a **Cover Virginia Additional Person Supplement** for each additional person who is applying.
3. All applicants over age 18 also need to complete the Commonwealth of Virginia Voter Registration Agency Certification. Each adult needs to complete and sign their own form.

If you applied for health care coverage for someone who is medically needy (has income greater than the Medicaid limit) and would like to be evaluated for a spenddown based on income, resources and medical expenses, complete Appendix E – (Medically Needy Spenddown) to the Application for Health Coverage and Help Paying Costs. You do not need to fill out a separate Voter Registration Certification if you complete Appendix E. It is part of the form.
