ELIGIBILITY PROVISIONS FOR VIRGINIA'S CACFP

FALL 2018: *Subsidy providers in good standing with the Department of Social Services will have the opportunity to partner with one of Virginia's approved sponsoring organizations and apply to participate as sites in Virginia's CACFP!*

WHAT IS THE CACFP? *Often referred to as the "USDA Food Program," or the "Food Program," the CACFP is a Federal Child Nutrition Program administered by the Virginia Department of Health (VDH) available to eligible providers interested in serving nutritious meals and snacks to children in childcare and family day care home settings.*

WHY PARTICIPATE IN THE CACFP? *The CACFP is a supplemental nutrition program that provides monthly reimbursements to help cover costs for nutritious meals and snacks served to children.*

- ✓ *Eligible Family Day Care Home providers may receive reimbursement for their own children!*
- ✓ *CACFP nutrition training/technical assistance counts toward licensing requirements and additional accreditations!*
- ✓ *Gain access to healthy menus, child-friendly recipes and other resources to promote healthy nutrition for children!*

IS THE CACFP FOR ME? *To learn more about participating in the CACFP, find your local sponsoring organization at <http://vachildcarefoodprogram.org/find-your-local-sponsor>*
