Virginias Eligible Entities participated in a Personal Protective Equipment (PPE) survey to assess the network's needs in response to COVID-19. The majority of agencies responded that the items needed were masks, gloves, sanitizer wipes, and hand sanitizer. The CSBG office met with the Virginia Department of Social Services, Emergency Management team, to discuss the possibility of them assisting with the PPE request from the network. Currently, this request is being reviewed with other departments, and we are awaiting further direction. The Community College Workforce Alliance (CCWA) is interested in collaborating with the CSBG State Office and Virginia Eligible Entities in providing certification opportunities to the organization's clients. This collaboration will afford populations served within the community action agency network a chance to earn an industry certificate and enhanced work skills from a local community college. Career Start is a grant-funded program aimed at helping unemployed and underemployed people start over, start again, or get started in a career pathway. This program is housed under CCWA, the Community College Workforce Alliance, a partnership between Reynolds and John Tyler Community Colleges. All programming is aligned to the industries in our locality, which are identified as high growth employment markets.

### 10.2. CSBG CARES Supplemental Monitoring Approach

Describe how the state intends to implement monitoring policies and procedures as it relates directly to the CSBG CARES Supplemental.

The state office will conduct virtual monitoring visits during COVID-19, these virtual visits will include virtual meetings with management teams, fiscal teams and boards. The virtual visit will also include a desk audit where state staff will review income eligibility, reporting, and fiscal controls. This monitoring will coincide with the general monitoring visits planned for the agency. The state CSBG Fiscal officer will also review general ledgers and backup documentation periodically throughout the funding period.

### 10.3. CSBG CARES Supplemental Initial Monitoring Reports

If the state monitors for CSBG CARES Supplemental only, provide the number of calendar days by which the state must disseminate an initial CSBG CARES Supplemental monitoring reports to local entities?

#### Note: This item is associated with State Accountability Measure 4Sa(ii)

___

Note: If the state is integrating all CSBG CARES Supplemental monitoring into the Regular CSBG Full On-Site, the state should include an additional section specific to the CSBG CARES Supplemental monitoring. If the state is conducting a CSBG CARES Supplemental only monitoring, the state must create a CSBG CARES Supplemental monitoring report.

Corrective Action, Termination and Reduction of Funding and Assurance Requirements

*(Section 678C of the Act)*

### 10.4. Closing Findings:

Is the state adding additional provisions to state monitoring procedures for addressing eligible entity findings/deficiencies, and the documenting closure of findings as it specifically relates to the CSBG CARES Supplemental?  ☐ Yes ☒ No

#### 10.4a. Closing Findings Procedures:

If yes, describe the additional provisions here.

### Fiscal Controls and Audits and Cooperation Assurance

**10.5. Fiscal Controls and Accounting:**

As it relates specifically to the CSBG CARES Supplemental, describe any additional provisions to the state's fiscal controls and accounting procedures that will a) permit preparation of the SF-425 Federal fiscal reports (FFR) and b) permit the tracing of expenditures adequate to ensure funds have been used appropriately under the block grant, as required by Block Grant regulations applicable to CSBG at 45 CFR 96.30(a)

The State follows Generally Accepted Accounting Principles (GAAP) and GASB (Government Accounting Standards Board) pronouncements with respect to our accounting practices while adhering to state and federal law as to the allowable spending of Block grant funds whether CSBG or CSBG CARES Supplemental. Our system or accounting string in FAAS/CARDINAL allows us to segregate expenditures by fund, program, cost code, project, etc. and allows for a clear delineation of each type of transaction. Therefore it is easy to categorize or group expenditures specifically as it relates to CSBG or CSBG CARES Supplemental or any grant for that matter. Our state auditors coupled with the federal monitoring/audits of our various programs ensure the integrity of our transactions and the reporting of them.

### 10.6. Single Audit Management Decisions:

As it relates specifically to the CSBG CARES Supplemental, describe any additional provisions to state procedures for issuing management decisions for eligible entity single audits, as required by Block Grant regulations applicable to CSBG at 45 CFR 75.521.

Maintain a list of all CSBG sub-recipients. Review 2 CFR 200 and the VDSS, DOF - General Services Sub-recipient or Contractor Determination Form to determine which sub-recipients require Single Audits. Follow up with sub-recipients to obtain a copy of their Single Audit Report within the time allowed. The time allowed is nine months after the sub-recipients fiscal year end or 30 days after issue of the audit report; whichever comes first. Record the results of the audit tests on the spreadsheets, using the appropriate tick mark. Identify possible financial, compliance, internal control findings and questioned costs relevant to the VDSS. Post the name of the Non-Profit, findings and questioned costs to the schedule of Non-Profit Financial Audit Findings. The schedule should include the program, condition, criteria, cause, effect, questioned costs and recommendation. Determine if a corrective action plan was present and if the plan adequately addressed the stated findings and questioned costs. The reviewing auditor should consider the nature and materiality of the findings before requesting a corrective action plan. Such a plan is not necessary for immaterial and isolated examples of non-compliance. Obtain copy of corrective action plan if not included with the audit report. Communicate with the appropriate VDSS Grant Managers and / or...
VDSS Management to confirm that adequate corrective action has taken place for the findings and questioned costs. Discuss the findings and questioned costs with the Deputy Commissioner -Operations depending upon significance of findings and questioned costs and in the Sub-Recipient Monitors Coordinators meetings. The appropriate VDSS Grant Manager is responsible for and provides follow up with the Non-Profit Organization to address findings and questioned costs. Determine whether the audits were conducted in accordance with the Single Audit Act of 1984 and its amendments: 2 CFR 200; The Code of Virginia, Section 15.2-2511; and United States Code, Title 31, Chapter 75, Section 7502, (f), (2), (c) & (b), (1) and (B).

10.7. Assurance on Federal Investigations:
The state will "permit and cooperate with Federal investigations undertaken in accordance with Section 678D" of the CSBG Act, as required by the assurance under Section 676(b)(7) of the CSBG Act. ☑ Yes  ☐ No

15.2. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’
attention is called, in particular, to the following definitions from these rules:

**Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

**Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

**Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

**Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about--

1. The dangers of drug abuse in the workplace;

2. The grantee's policy of maintaining a drug-free workplace;

3. Any available drug counseling, rehabilitation, and employee assistance programs; and

4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will - -

1. Abide by the terms of the statement; and
2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the
workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
