Identifying information is the information that will lead to the identification of a person, which includes names or contact information. The purpose of the search is to attempt to locate the adoptee and determine if the adoptee consents to have his/her information released to you.  
NOTE: A search for the adult adoptee can only occur when the adoption was finalized on or after July 1, 1994 and when the adult adoptee is 21 years or older. Prior to July 1, 1994, complete the Relative Update to an Adoption Record Form to add information in the record (e.g. letter) as a search for the adoptee cannot occur.

Additional time can be granted to complete the search. Once the search is complete, the agency will send a report to VDSS with a recommendation about whether to grant or deny the application. If your application is denied, or if VDSS fails to designate an agency to conduct the search within 30 days of receipt of the application, you have the right to petition the court for disclosure. If you are a Virginia resident, you may petition the circuit court in the county or city where you reside. If you live out of state, you must petition the Richmond City Circuit Court. VDSS must be made a party to your petition.
