RE: REMINDER!! - NEW IPC TRAINING

VDSS in partnership with VCU Gerontology CCE presents the latest Infection Prevention and Control (IPC) training program. This month's training is a three-part training that will be delivered over three weeks. It is directed for supervisors of ALFs and ADCCs. Supervisors include administration, Lead Registered Medication Aides, Shift Supervisors and any staff member providing oversight of team members. The training will address data to collect for proper reporting of communicable diseases, determining what is reportable, and how to report.

Register for this **free** and exciting training opportunity by visiting [this link](#).

**The first session of this Infection Prevention and Control training will be held
September 14 @ 11:00AM**

For any questions relating to this or future training sessions, please contact gerocce@vcu
