COMMONWEALTH of VIRGINIA

DEPARTMENT OF SOCIAL SERVICES

DATE: March 8th, 2021

TO: Assisted Living Facilities

FROM: Tara Ragland, Director
Division of Licensing Programs

SUBJECT: **Reminder: Virginia Department of Health (VDH) COVID-19 Vaccine Uptake in Long Term Care Facilities Survey & COVID-19 Vaccine Request Form**

The Virginia Department of Health has developed a COVID-19 Vaccine Uptake in Long Term Care Facilities survey. This survey provides VDH up-to-date census data and vaccine uptake in residents and staff of long-term care facilities. VDH will use the survey data to calculate vaccine completion rates, plan for remaining vaccine distribution for 1A and 1B populations, and develop vaccine educational and outreach materials.

If you have not already done so, please complete the survey as soon as possible. It is important that all assisted living facilities complete this survey. VDH provided the specific REDCap survey link directly to the vaccine points of contact at assisted living facilities. It can also be found here:

- [REDCap Survey: Vaccine Uptake in Long Term Care Facilities](#)

Additionally, VDH developed a Vaccine Request Form for long term care facilities who need to request vaccine following partnership with CVS and Walgreens. This form may be completed as needed and can be found here:

- [COVID-19 Vaccine Request Form for Long Term Care Facilities](#)

If you have any questions about the survey or the VDH Vaccine Request Form, please email hai@vdh.virginia.gov. Thank you for your participation in this important survey that supports our state's vaccination efforts.
