RE: VDH announces Information on Long-Term Care Certification in Infection Prevention (LTC-CIP) preparatory course and exam

The Division of Licensing Programs (DOLP) would like to share the following information on behalf of the Virginia Department of Health (VDH) Healthcare-Associated Infections and Antimicrobial Resistance (HAI/AR) Program:

The Virginia Department of Health (VDH) Healthcare-Associated Infections and Antimicrobial Resistance (HAI/AR) Program is partnering with [APIC](#) and [CBIC](#) to offer a Long-Term Care Certification in Infection Prevention (LTC-CIP) preparatory course and exam to a full- or part-time staff member that leads infection prevention and control activities in a nursing home, assisted living facility, or behavioral health facility within the state of Virginia. Training sessions will be held May-July 2024.

Please refer to the attached APIC promotional flyer or the [HAI/AR Education & Training webpage](#) for course details and registration links.

- Up to one staff member per facility may participate in this program as seats are available. Please coordinate with your facility leadership.
- Register as soon as possible; seats are limited and granted on a first come, first serve basis.
- You must register through the links provided on the flyer to receive training and examination for certification free of charge.
- Re-tests and future recertification are not funded by VDH.
- This is a one-time offer supported by federal funding through the [Nursing Home & Long-Term Care Facility Strike Team and Infrastructure Project](#).

For further information, please email hai@vdh.virginia.gov.
