COMMONWEALTH of VIRGINIA

DEPARTMENT OF SOCIAL SERVICES

DATE: February 25, 2021

TO: Assisted Living Facilities (ALFs)

FROM: Tara Ragland, Director
Division of Licensing Programs (DOLP)

SUBJECT: Virginia Department of Health (VDH) *COVID-19 Vaccine Uptake in Long Term Care Facilities* Survey

The Virginia Department of Health has developed a *COVID-19 Vaccine Uptake in Long Term Care Facilities* survey. This survey provides VDH up-to-date census data and vaccine uptake in residents and staff of long-term care facilities. VDH will use the survey data to calculate vaccine completion rates, plan for remaining vaccine distribution for 1A and 1B populations, and develop vaccine educational and outreach materials.

VDH will send an email with the specific REDCap survey link directly to the vaccine points of contact at assisted living facilities. The email with this survey link will come from hai@vdh.virginia.gov

If you have any questions about the survey, please email hai@vdh.virginia.gov

Thank you for your participation in this important survey that supports our state's vaccination efforts.
