The Valley Licensing Office will be offering training for Child Care Centers, Family Day Homes, Religious Exempt Centers and Certified Preschools. The training is suitable for any staff and will review safe sleep practices recommended by the American Academy of Pediatrics, and working with families to keep babies safe. Don’t miss out on this valuable training.

There is no fee for this workshop. Participants will receive 3 training hours for attending the session. Training hours will be reduced for late arrivals and/or early departures. Please note that we love children, and children are our business, but training is not an appropriate setting for a child. Please make alternate arrangements for child care. Registration begins at 8:30 a.m. The deadline for registration is Wednesday, October 9, 2019.

Directions to Bridge Christian Church will be provided upon registration confirmation via e-mail. Please e-mail Tiffany Sprouse @ tiffany.sprouse@dss.virginia.gov to register for this training. If you do not have e-mail capability, you may call the Valley Licensing Office in Fishersville at (540) 332-2330.
