SNAP Emergency Allotments Will Continue in September

Richmond, VA (September 1, 2020) – Virginia’s Supplemental Nutrition Assistance Program (SNAP) will again release emergency allotments of benefits to eligible households who are not already receiving the maximum allotment as part of their regular monthly benefit. Consistent with the emergency allotments provided during the months of March - August, benefits will be automatically loaded to recipients’ Electronic Benefits Transfer (EBT) cards. Eligible recipients can expect to have benefits available on Wednesday, September 16.

The emergency allotments raise each household’s monthly allotment to the maximum allowable based on household size as follows:
